Where do you find hope? Is it in the yearly celebration of the season of Advent? Do you prepare to meet Jesus once again; as both human and divine? This season of preparation is a time of recollection and anticipation. We actively recall the arrival of Jesus as the Word made flesh, the baby born to Mary, in a manger, in a stable. Are we attentive to our divine encounters in the present, the ways which God reveals himself to us through others and in our everyday lives? Advent is also a time to joyfully await his final return at the end of the age.

Join us as we look closely at three key Scripture passages to recall, recognize, and anticipate the ways God comes into our lives and our world.
