

HSCC Confirmation Service Project Agencies

Some events hosted by these agencies may not meet the requirements for confirmation.

Only time spent in **direct service** with the "needy" receiving benefits from these agencies counts towards service hour requirements.

All activities must fall under the guidelines of the Corporal Works of Mercy.

This is not an exhaustive list. These are simply agencies that have provided the kind of positive experience we require for our teens in the past.

Please contact our staff if you have other creative ideas to discuss.

HSCC has no connection/arrangements with any of these agencies.
