Ephesians: Discover Your Inheritance, reveals many remarkable gifts that we as Christians are given in the Church. St. Paul's letter to this community explain the nature of the Church and shows us the great inheritance that awaits us as sons and daughters, adopted fully into the family of God.

This Pauline letter is filled with powerful, practical instructions for disciples of Christ and communities of faith. Come and discuss how God's great love for us can transform our daily lives - if we allow it. Ephesians will enrich your faith and show you how to live it out.
