Jesus tells us how important it is to serve others. When you decide to serve, even in a small way, you are making a difference in the world. How did serving others make a difference in your life? Answer the following five questions.

- 1) Have you seen God in the people you have met?
- 2) How has your faith changed because of your service experience?

3) Have you learned anything about yourself doing this service?

4) Are you motivated to do more service, and if so, do you want to do the same kind? Why or why not?

5) Have you learned something about people who are different from you because of this experience?
